Subject: Voting Fraud-Voter Intimidation Teleconference 4-19-06

Hi, Sarah:

Thank you for agreeing to be interviewed on Wednesday, April 19, by the consultants for EAC's initial research on voting fraud and voter intimidation, Job Serebrov and Tova Wang . Our consultants are conducting interviews as part of preliminary research to determine how EAC may best meet the requirements of Section 241(b)6 and 7 of the Help America Vote Act of 2002. As you may recall, Section 241 requires EAC to conduct research on election administration issues, including the development of:

- nationwide statistics and methods of identifying, deterring, and investigating voting fraud in elections for Federal office; and
- methods of identifying, deterring, and investigating methods of voter intimidation.

This is what I need you (and the Secretary, if he is available) to do:

- At approximately 11 AM EST on April 19, call 1-866-222-9044.
- At the prompt for the pass code, enter [REDACTED]

Tova and Job will join you on the line. We have arranged for the line to be open for an hour, with 10 minutes extra on the front end (for folks who have not synchronized their watches).

You mentioned that Secretary Grayson may be using a cell phone. Our teleconference provider has given us the following information regarding the use of cell phones during the teleconference:

- Signals are often in and out and the audio bridging equipment cannot compensate fast enough by adjusting the signal. This affects all participants connected. If participants must use a cell phone – they should be stationary in a location where they can pick up the other participants, moving while using a cell phone causes the signal to go in and out and often will pick up extraneous electrical signals that will cause heavy static on the call.
- The cell phone should be well charged and muted, if possible, until the individual is ready to speak.
- If there is a problem, anybody who dials into a conference can contact the operator/technicians by simply pressing *0 (star zero). This information is part of the recording when individuals are dialing in.

If you have any problems accessing the teleconference, please call Edgardo Cortés. You can reach him at 1-866-747-1471 (toll-free) or 202-566-3126. He can contact our service provider to correct any problems. (I will be on my way to Seattle and unable to help.)

Thanks, again!

Peg - -

This is essentially FBI's equivalent of the Department's Ballot Access and Integrity Initiative. The news conference on Thursday announced that FBI was enhancing its prioritization of campaign financing offenses. The main feature of this initiative, aside from enhancing the priority these cases will get in the Bureau, is that each of the Bureau's 57 Field Divisions will have at least one "Election Coordinator Agent" who will be the equivalent of the District Election Officer AUSAs. We have been training these new FBI-types: the week before last we had roughly 75 of them in Denver in a very well received two-day session in election law enforcement at which several FEC people spoke. On Wednesday, I head out to Portland, Oregon for more of the same.

Hi, Craig:

Tova noticed an article about an FBI initiative against election crimes (see attached email). Is this something new, or is it more of the same initiative that you addressed in your interview? If it is new, would you have time for a teleconference with Job and Tova to answer any questions they may have on the initiative?

Subject Fw: Announcement of FBI Election Crimes Initiative

Hi, Craig:

Tova noticed an article about an FBI initiative against election crimes (see attached email). Is this something new, or is it more of the same initiative that you addressed in your interview? If it is new, would you have time for a teleconference with Job and Tova to answer any questions they may have on the initiative?

Hello Peg!

God willing, I will be here the first two weeks of May.

As for your second question, it is not possible for me to assess the level of public attribution that would be appropriate without seeing the substantive stuff in context. I do not foresee a problem. So, I recommend that you get me a draft text and I will review it to ensure we are not disclosing things we shouldn't disclose.

First, I am trying to schedule a meeting of the project working group for EAC's Voting Fraud-Voter Intimidation research project. As a technical advisor on this project, your attendance is particularly important to me. Would you please look at your schedule and let me know if there are any days during the first 2 weeks of May that you would NOT be available?

Second, is it OK for our consultants to refer in their report to guidance provided in the DOJ training materials? I ask this because I understood that some materials in the materials are considered confidential and we do not want to violate your confidentiality provisions. If there is a compromised position, such as having you review that portion of the consultants' report, then let me know.

Thanks!

Subject Information you requested

Hi Peg,

Attached please find our joint working definition of voter fraud and intimidation.

This is also to let you know that Job and I have agreed that I may speak with political and social scientists with expertise in methodology and data collection alone.

Finally, the types of expenses that we are incurring unrelated to travel include such items as long distance phone calls, particularly between Job and myself, but also between me and the political scientists mentioned above; and books such as John Fund's "Stealing Elections," Andrew Gumbel's "Stealing the Election," and "Deliver the Vote: A History of Election Fraud, an American Political Tradition-1742-2004" by Tracy Campbell, which cost in the \$25 range each. I also ordered the 2005 National Directory of Prosecuting Attorneys for \$50. Another potential expense might be shipping fees if we want to exchange material that cannot be emailed. Please let us know how you would like us to arrange for reimbursement for such expenses.

Thanks.

Job,

I was using Lexis because I don't have inter-semester access to Westlaw. In addition, Westlaw does not allow me to restrict to specific dates. However, I called the dean of my school this morning and he granted me access to Westlaw for the break on a limited basis, so I will start fresh with the terms.

In the student version of Westlaw, I can choose cases in the past 3 or 10 years, but cannot select a date range. I will use the 10 year limitation unless you write to tell me otherwise.

I'll send results tonight.

Thanks,

Tamar:

I received your first Zip File today and there is another major problem. These look like Lexis and not Westlaw searches. The way this material is presented it is impossible to tell what is going on. I stated in

012718

my last e-mail that I wanted you to use Westlaw because you can pull up a short case evaluation for each case. These are no good to us without these evaluations. The evaluations list the parties, a short statement of facts and a short summary of the court's holding. I can only evaluate these cases with such a summary. Sorry to send you back to the drawing board but better now then after you substantially completed the assignment. If you can get these kind of evaluations with Lexis then go ahead but if not you need to use Westlaw.

I would at least like to have input on the local election official. I also need a bit of time to think about the state official, because I'm not sure Cathy Cox will do it. So I need to consider a back-up. Thanks. Tova

Hi Peg,

I will be down in DC next Tuesday for a meeting. I wonder if it would be useful for me to come by -- I think you mentioned at one point you had a big collection of articles. It would be great to be able to take a look at them. I'm available mid to late afternoon. Let me know.

Any word on the contract situation?

Thanks.

The Law Clerk's name is Tamar Nedzar. She is very sharp. Our intern's name is Devon Romig.

Tamar has the most recent lists of search terms and may have questions about them. Devon will need to know how you want the press clippings sorted by type of voting fraud. I think we need to give her a specific list. that, I hope, will not overlap. For example, do you want her to sort using the term Absentee Ballot

Fraud when that can involve voter intimidation/coercion/undue influence, vote buying, ballot tampering, and ballot box stuffing (by voting in the name of another or under a fictitious name).

We need to discuss this because I am concerned that we currently do not have a full written description of what does and does not constitute voting fraud and voter intimidation. The current written definition excludes voter registration shenanigans; yet, voter registration applications submitted with fictitious names or that falsely affirm eligibility to vote are considered election crimes that can have an impact on election results. Specifically, they are used in schemes to vote more than once or to have ineligible persons participate in voting. Also, an increasing number of States are including as an election crime the knowing and willful destruction of voter registration applications by voter registration drives and their failure to transmit such applications to the election office in a timely manner.

If we define voting fraud as any illegal act that has a clear and direct distorting impact on the election results, then administrative mistakes that violate federal or State law could be included. For federal elections, administrative mistakes definitely are not considered voting fraud. The examples provided for "de facto" fraud and "quasi" fraud also are not likely to be considered part of voting fraud and voter intimidation without evidence that there also is ballot box stuffing, vote buying, tampering with ballots or vote tallies, voter intimidation, etc. Although a number of things other than voting fraud and voter intimidation can (and do) distort election results, EAC is handling such issues under separate research efforts.

For your information, I have attached a speech presented by Craig Donsanto (complete with typos) that addresses the issue of defining voting fraud. Perhaps it will be of interest to you.

Tova and Job,

It was good to talk to you today. Hope you are doing well. I've attached my African American search results below. It encompasses all of the terms you suggested having to do with African Americans.

The following is a search I used to truncate words and combine terms, but I still got a large number of results:

Vot! and deny and black or vot! and black and challenge or vot! and black and reject or vot! and black or vot! And deny and African w/s American or vot! And African w/s American and reject or challenge or vot! And African w/s American or election and black and deny or challenge or reject or election and black or election and African w/s American and deny or challenge or reject or election and African w/s American or ballot and security and black or ballot and security and African w/s American or black and vot! And suppress! Or African w/s American and vot! And suppress or African w/s and disenfranchis! or black and disenfranchis!

If this search yields useful cases for you, I can continue searching using the same strategy. If not, please provide me with additional guidelines and I will do my best!

Please feel free to contact me should you have any questions or need additional information.

Subject word searches

In the course of compiling a list of search terms for the nexis research, I thought of some major omissions to the WESTLAW list.

Everywhere we have a term such as African American and or Latino and
we should also have the following:

Asian American (and if possible, Chinese, Korean, Vietnamese)
Native American
Indian
Indian Country

Moreover, everywhere we have poll worker or poll inspector we should also have the following:

Poll judges
Poll monitors
Poll observers

Let me know if you want me to re-do the list.

Can you give us a better idea of the other EAC research projects that you think we might overlap with if we include these activities? Job and I had strong reasons for what we did and did not include and how we wanted to frame the term fraud, so we do indeed need to discuss this -- perhaps before or after the discussion with Tamar and Devon?

Subject: Requesting Your Help-Preliminary Research on Voting Fraud and Voter Intimidation

Hi, Craig:

As I mentioned in my telephone call earlier today, I have been assigned to manage the U.S. Election Assistance Commission's (EAC) preliminary research project on voting fraud and voter intimidation. I know these are subjects

012736

with which you are intimately familiar and recognize that the project needs the information and insights that you can provide, so I am asking for your help.

As you know, section 241 of the Help America Vote Act of 2002 requires EAC to conduct research on election administration issues. Among the issues listed in the statute are:

- * nationwide statistics and methods of identifying, deterring, and investigating voting fraud in elections for Federal office [section 241(b) (6)]; and

- * identifying, deterring, and investigating methods of voter intimidation [section 241(b) (7)].

EAC's Board of Advisors recommended that EAC make research on these topics a high priority. Subsequently, the Commission contracted with two consultants (Tova Wang and Job Serebrov) to:

- * develop a comprehensive description of what constitutes voting fraud and voter intimidation in the context of Federal elections;

- * perform background research (including Federal and State administrative and case law review), identify current activities of key government agencies, civic and advocacy organizations regarding these topics, and deliver a summary of this research and all source documentation;

- * establish a project working group, in consultation with EAC, composed of key individuals and representatives of organizations knowledgeable about the topics of voting fraud and voter intimidation;

- * provide the description of what constitutes voting fraud and voter intimidation and the results of the background research to the working group;

- * convene the working group to discuss potential avenues for future EAC research on this topic;

- * produce a report to EAC summarizing the findings of the preliminary research effort and working group deliberations that includes recommendations for future research, if any;

- * draft the project scope and Statement of Work for future research on these topics, if EAC decides to pursue one or more recommendations for future research.

At minimum, I hope that you can serve as an information resource for the team of two EAC consultants hired to conduct the research and me. I also would like to explore the feasibility of your participation in meetings of the project working group.

If EAC needs to submit a more formal request for your help, please advise me how to do so. Also, it would help me to know if there are any restrictions on your participation, other than anticipated restrictions on the time you have available.

012737

Let me know if you have any questions about this request or the research project. I look forward to hearing from you and hope you are doing well.

This is just to let you know that I have drafted a letter for the Chair's signature, but she may want to make some changes before she signs. Once it is signed, I'll fax a copy to you and send the original by mail. For planning purposes, can you tell me when you don't expect to be available during the next 3 months (Dec-Feb)?

Subject Re: Meetings

I am available for a 3-way teleconference after Noon on Wednesday this week. My schedule on Thursday and Friday is flexible, as well. When would be best for you two? I can call the telephone numbers you prefer and set up the conference call from my desk.

Both the 24th or the 28th are fine with me for the face-to-face meeting. Which do you prefer? If you have no preference, I suggest we pick the earlier of the two.

Regarding your contracts, I understand that the contract will carry the date of 9/25/05. All contracts have to be signed by the Chair, who has been out of the office on Commission business. I have been told that she will sign off on your contracts, among others, today. Our financial officer will send it to you after that. I'll try to obtain copies and fax the appropriate one to you as soon as they have been signed.

Regarding your pay, the contract will state that you should submit a monthly invoice to EAC for payment of your fee for that month. The contract is for 6 months, so our Finance Officer, Diana Scott, wants you to submit an invoice to her each month for 1/6th of the total payment, beginning 10/25/05.

I look forward to talking again with the two of you.

I will initiate the calls to you two on Wednesday. The number I have for Tova is [REDACTED]. For Job, I have [REDACTED]. Let me know if I should use a different number for you on Wednesday.

Thanks, Tova, for the copy of the draft workplan you provided to Karen. I'll take a look at it and, hopefully, provide some feedback on Wednesday. I have not yet caught up to all the paperwork and emails that preceded my assignment to this project. Karen just handed me a folder full of documents that should help.

I think you may have received an email from Nicole Mortellito regarding an October 14 meeting. If you two cannot come in person but can attend via phone, just let me know. Nicole's message has information regarding hotel rates that conflicts with what I've just sent you. I've asked her to double check her information because I have another contractor that has had no problem obtaining government rate at hotels.

Yes, you will be paid on a monthly basis. You can file your first invoice on October 25, according to Diana Scott.

Peg, This all sounds good. Will you be calling us on Wednesday?

I should not need a hotel for the 28th. Just let me know what time. Are there expense forms we should have for reimbursement?

On the work product, we did send Karen a very preliminary draft of a work plan. I attach it again here and we can talk about it more on Wednesday.

My only money question is, are we being paid on a monthly basis? And if so, when does that begin? I

Subject: Voting Fraud Teleconference-Meeting-Work Schedule

Tova and Job:

Teleconference -

Let's schedule the teleconference for 4:00 PM on Wednesday, October 5. Gavin Gilmour will join us.

Meeting -

October 28 is fine for the face-to-face meeting in DC. We have allocated \$5,000 to each of you to cover reasonable and necessary travel and other incidental expenses. Expenses claimed for reimbursement need to be itemized, with appropriate receipts provided. You should be able to obtain the Federal government rate at an area hotel (if you plan to stay overnight). If the hotel needs a letter from EAC (in lieu of showing them your signed contract), just let me know. Airlines apparently no longer honor government rates for government contractors. Rail carriers may provide government rates for government contractors. If you drive, the current government rate for a personally owned vehicle (POV) is 48.5 cents per mile.

Deliverables -

The first item on the list of deliverables is the draft project workplan, which is due ASAP after award. Would it be possible for the two of you to deliver a draft workplan to me via email by 10/11? That would be after we have had our teleconference to work out lingering questions.

Questions for Finance -

If you have questions for our Finance Officer, you can reach her via email at dscott@eac.gov. I would appreciate it if you would cc: me on such emails, so that I know to follow up with her.

Tamar:

You are not going to be able to place all of these word searches together. We need you to take each term on the list and do a search on it. You can only merge terms when it will not add other terms and therefore affect the outcome. For instance, vote and voter could probable be merged. I know this creates much much more work but it can't be helped. I would like you to pull the first 50 cases for each set of terms and send them

012752

to us with a short case summary (I know Westlaw lets you do a short case summary). From there we will have to read the cases and decide if we need any others in that search term.

Regards,

Job

Tova and Job,

It was good to talk to you today. Hope you are doing well. I've attached my African American search results below. It encompasses all of the terms you suggested having to do with African Americans.

The following is a search I used to truncate words and combine terms, but I still got a large number of results:

Vot! and deny and black or vot! and black and challenge or vot! and black and reject or vot! and black or vot! And deny and African w/s American or vot! And African w/s American and reject or challenge or vot! And African w/s American or election and black and deny or challenge or reject or election and black or election and African w/s American and deny or challenge or reject or election and African w/s American or ballot and security and black or ballot and security and African w/s American or black and vot! And suppress! Or African w/s American and vot! And suppress or African w/s and disenfranchis! or black and disenfranchis!

If this search yields useful cases for you, I can continue searching using the same strategy. If not, please provide me with additional guidelines and I will do my best!

Dear Julie & Peggy:

I just checked my bank account and no money. That also means that Tova is also penniless. As I understood, there was actually a chance that we were getting all

back pay by today. But alas---double or nothing still equals zero in this case no matter how you spin it.

Please give those wonderful folks who are in charge of releasing your funds a call and find out if they are on the beach in Brazil.

Eternally Broke,

Karen and Tom,

Thanks so much. I am looking forward to working with you and my co-consultants on what I think is an extremely important topic.

I am pretty much available any day that week except Monday the 12th, so whatever is most convenient for everyone else any other day is fine by me. Please let me know the contract specifics when possible so I can work out an arrangement with The Century Foundation (which will not be a problem). Thanks again.

Greetings-

Tom Wilkey and I have just completed a series of very informative and productive conversations with each of you and are anxious to move to the next step of this process.

We hope to assemble our consultant team on this project, within the next three weeks and are presently awaiting final approval of your contracts from our Commissioners. We anticipate this will take place in the next week to ten days.

We would like to assemble the team- Steve Ansolabehere of MIT, Tova Wang from The New Century Foundation and Job Serebrov, who has worked extensively on these issues for the State

of Arkansas, during the week of September 11. Please get back to us with some tentative dates during that week that might work with your schedule.

We look forward to working with all of you and appreciate your efforts on behalf of the EAC.

Hi, Tova;

How much time do you want to schedule for the meeting with Donsanto ? An hour? We've just received his response to our request confirming that he is pleased to be of assistance, which means he has received the OK from his superiors. I also want to include him in any Working Group discussions, although he will not be named as a member of that group. He is a great resource because he is smart and organized, and has years of experience in this area as a career DOJ attorney. I find that he is not shy about identifying challenges and noting improvements that he thinks are needed.

Subject Donsanto Interview & Payments [REDACTED]

Tova and Job:

Craig Donsanto would like to meet at his office at 2 PM on Friday, January 13. I can either meet you there, or escort you there after we meet at EAC. (His office is within walking distance of EAC.) Please remember to bring ID, as we have to show it when we sign in.

He would prefer that you send any requests for data through me, so just let me know in more detail what you want. I suggest that we submit requests for any information that you deem appropriate, before the interview, so that you can review it before we go in. We can always request more information after the interview, if something comes up during our discussion.

Regarding questions about pending payments, Job will receive two more payments (perhaps at the same time, perhaps on separate days) and Tova will receive 3 payments (possibly all at the same time).

Subject: Contract Issues-Government Per Diem Rates

Good Morning Job an Tova:

I still do not have copies of your signed contracts. I understand that they may have to be revised if the project is going to use an EAC intern and EAC Westlaw access. I've scheduled a meeting with one of our attorneys this week to discuss the matter and will get back to you with further information, when I have it.

By now, you should have heard that the October 14 contractor meeting has been cancelled. Instead, EAC has scheduled a couple of staff meetings to review requirements for invoices and requests for reimbursement. I should have more information for you on this front by next Monday.

Today, I am sending by Federal Express the most recent copy of the Department of Justice's *Federal Prosecution of Election Offenses* and the Federal Election Commission's *Innovations in Election Administration 8: Election Document Retention in an Age of High Technology*. Let me know if you do not have it within a couple of days.

New per diem rates for federal travelers are effective October 1, 2005. You can find these rates at http://www.gsa.gov/Portal/gsa/ep/contentView.do?programId=9704&channelId=-15943&oid=16365&contentId=17943&pageTypeId=8203&contentType=GSA_BASIC&programPage=%2Fep%2Fprogram%2FgsaBasic.jsp&P=MTT.

Peggy:

I think that you have hit the major problem in voter fraud---the federal/state system. We are essentially operating under state laws that control federal elections. Administrative mistakes can amount to voter fraud because the state system controls voting procedure. I must strongly disagree with you as to whether de facto or quasi fraud needs anything else. In my 15 years of election practice and administration it needed nothing else.

We can discuss the rest of your additions to our difinition at our conference call.

Subject Requesting Your Help-Preliminary Research on Voting Fraud
and Voter Intimidation

Hi, Craig:

As I mentioned in my telephone call earlier today, I have been assigned to manage the U.S. Election Assistance Commission's (EAC) preliminary research project on voting fraud and voter intimidation. I know these are subjects with which you are intimately familiar and recognize that the project needs the information and insights that you can provide, so I am asking for your help.

As you know, section 241 of the Help America Vote Act of 2002 requires EAC to conduct research on election administration issues. Among the issues listed in the statute are:

- nationwide statistics and methods of identifying, deterring, and investigating voting fraud in elections for Federal office [section 241(b)(6)]; and
- identifying, deterring, and investigating methods of voter intimidation [section 241(b)(7)].

EAC's Board of Advisors recommended that EAC make research on these topics a high priority. Subsequently, the Commission contracted with two consultants (Tova Wang and Job Serebrov) to:

- develop a comprehensive description of what constitutes voting fraud and voter intimidation in the context of Federal elections;
- perform background research (including Federal and State administrative and case law review), identify current activities of key government agencies, civic and advocacy organizations regarding these topics, and deliver a summary of this research and all source documentation;
- establish a project working group, in consultation with EAC, composed of key individuals and representatives of organizations knowledgeable about the topics of voting fraud and voter intimidation;
- provide the description of what constitutes voting fraud and voter intimidation and the results of the background research to the working group;
- convene the working group to discuss potential avenues for future EAC research on this topic;
- produce a report to EAC summarizing the findings of the preliminary research effort and working group deliberations that includes recommendations for future research, if any;
- draft the project scope and Statement of Work for future research on these topics, if EAC decides to pursue one or more recommendations for future research.

At minimum, I hope that you can serve as an information resource for the team of two EAC consultants hired to conduct the research and me. I also would like to explore the feasibility of your participation in meetings of the project working group.

If EAC needs to submit a more formal request for your help, please advise me how to do so. Also, it would help me to know if there are any restrictions on your participation, other than anticipated restrictions on the time you have available.

Let me know if you have any questions about this request or the research project. I look forward to hearing from you and hope you are doing well.

Hi Job,

The Westlaw search took more than half an hour-I think because I can only download results into ASCII format. I did find a way to add a case summary to the Lexis output. I have attached the first search below. If this is useful to you, I would rather use Lexis because output into a PDF file is faster. If you'd still prefer me to use Westlaw, I'll have to figure out a way to shorten the search times.

Please use the 10 year range. The case summary is the most important item. In the US Courts version of Westlaw you can restrict by date.

Tova and Job:

Teleconference -

Let's schedule the teleconference for 4:00 PM on Wednesday, October 5. Gavin Gilmour will join us.

Meeting -

October 28 is fine for the face-to-face meeting in DC. We have allocated \$5,000 to each of you to cover reasonable and necessary travel and other incidental expenses. Expenses claimed for reimbursement need to be itemized, with appropriate receipts provided. You should be able to obtain the Federal government rate at an area hotel (if you plan to stay overnight). If the hotel needs a letter from EAC (in lieu of showing them your signed contract), just let me know. Airlines apparently no longer honor government rates for government contractors. Rail carriers may provide government rates for government contractors. If you drive, the current government rate for a personally owned vehicle (POV) is 48.5 cents per mile.

Deliverables -

The first item on the list of deliverables is the draft project workplan, which is due ASAP after award. Would it be possible for the two of you to deliver a draft workplan to me via email by 10/11? That would be after we have had our teleconference to work out lingering questions.

Questions for Finance -

If you have questions for our Finance Officer, you can reach her via email at dscott@eac.gov. I would appreciate it if you would cc: me on such emails, so that I know to follow up with her.

Thanks, Tova, for the copy of the draft workplan you provided to Karen. I'll take a look at it and, hopefully, provide some feedback on Wednesday. I have not yet caught up to all the paperwork and emails that preceded my assignment to this project. Karen just handed me a folder full of documents that should help.

I think you may have received an email from Nicole Mortellito regarding an October 14 meeting. If you two cannot come in person but can attend via phone, just let me know. Nicole's message has information regarding hotel rates that conflicts with what I've just sent you. I've asked her to double check her information because I have another contractor that has had no problem obtaining government rate at hotels.

Yes, you will be paid on a monthly basis. You can file your first invoice on October 25, according to Diana Scott.

Peg, This all sounds good. Will you be calling us on Wednesday?

I should not need a hotel for the 28th. Just let me know what time. Are there expense forms we should have for reimbursement?

On the work product, we did send Karen a very preliminary draft of a work plan. I attach it again here and we can talk about it more on Wednesday.

My only money question is, are we being paid on a monthly basis? And if so, when does that begin? I assume this all is in the contracts we'll be getting...

Thanks.

If you copy the CD contents to a file on your computer, you may yet use the empty folders to file relevant articles found subsequent to Devon's sorting. For example, I have a few recent articles that I will send via email. When we come across articles that belong in the empty folders, we can put them there. --- Peggy

Subject RE: Search Results Example [REDACTED]

Tova and Job,

Thank you for your feedback. There are two factors that went into my decision to perform the search in the manner I indicated which may have a bearing on whether you want me to do each search individually.

First, I checked with the Lexis representative at my school, who suggested the search methodology used. She indicated that I would get the same results if I did the searches separately or together.

Second, as I am in the midst of finals, as you can imagine, I have limited time to devote to work. I will only be in the office two days in the next two weeks and will not be able to do much work from home. As a result, I probably won't be able to do the majority of the searches until just after Christmas if I am to do the each term separately. If not, I should be able to get you results by the week before Christmas.

I will do whatever you and Peggy decide given your timelines, but wanted to let you know the factors that went into my decision.

Tamar:

You are not going to be able to place all of these word searches together. We need you to take each term on the list and do a search on it. You can only merge terms when it will not add other terms and therefore affect the outcome. For instance, vote and voter could probable be merged. I know this creates much much more work but it can't be helped. I would like you to pull the first 50 cases for each set of terms and send them to us with a short case summary (I know Westlaw lets you do a short case summary). From there we will have to read the cases and decide if we need any others in that search term.

Job
